### ■ Suspensions from hall ceilings

The MOC Technical Services Dept. reserves the right for static load reasons to reject orders requiring the suspension of items from hall ceilings.

You should therefore always request written approval and attach to it an appropriate drawing (top view) together with details of size and weight (total suspended weight). Standard rope lengths measuring 2.5 m are used for suspending purposes (max. ceiling height 4.00 m). Individual suspension points can withstand loads of max. 25 kg. Only technical staff deployed by the MOC Veranstaltungszentrum München are allowed to carry out ceiling suspension work.

Unit	Item no.	Service item	EUR/unit
	20532	First to fourth ceiling suspension unit (max. 4)	37.75
	20533	Fifth and subsequent ceiling suspension units	21.65

**Please note: Precise details of the location and height of the required fixing points must be provided to enable your order to be processed.**

**It is essential that a to-scale stand layout plan (scale 1:100) is also enclosed as the order cannot be processed without a stand layout plan!**

**Total weight of construction to be suspended:**

\_\_\_\_\_ kg

**Dimensions of ring eyelet**

Internal diameter: 30 mm  
External diameter: 54 mm

The suspension of stand elements is **prohibited**, as is the securing of stand elements or exhibits via suspension units!

**For suspensions in the atriums, please contact the Department Events, MOC Veranstaltungszentrum München.**

**Please note: A surcharge of EUR 10.00 per fixing point (item 20641) will be raised for orders/ plans submitted later than ten calendar days before the start of the event.**

### ■ Platform lifts

We also hire out a platform lift as described below. The hall electrician will instruct you in its use. Contact the Department Events MOC for further information. The platform lift SJIII 3220 conforms with all the relevant standards and can be operated electrically from the working platform in order to change the height of the platform or its location.

sample illustration only

Unit	Hours	Item no.	Rental service (w/o operator*)	EUR/unit
		20581	Platform lift rental, per hour	34.55
		20640	Flat charge per day (max. 10 hours)	238.00

\* If you wish to hire an operator, please contact our accredited service partner at the MOC Veranstaltungszentrum München, the firm Stefan Nelhiebel Elektroanlagen, at phone +49 89 32353-125 or info@nelhiebel.de.
